ReleasePoint

Switch Sustainability Certificate

ReleasePoint Inc is awarded this Sustainability Certificate for using 100% Renewable Energy within the Switch ecosystem. This certificate demonstrates that Switch has retired **58 Solar Renewable Energy Credits** in 2022 on behalf of ReleasePoint Inc, making their energy consumption 100% Green at Switch's data center facilities.

These Renewable Energy Credits comply with Greenpeace's principles of locality, additionality, and sustainability, and were generated by Nevada solar farms.

Together, we can ensure that the data running our planet doesn't ruin the planet.
